

Chester Congregational Baptist Church

March 17, 2020

In accordance with state and federal recommendations in the face of the Covid-19 pandemic, the Deacons, in communication with Pastor Linda, have unanimously decided to cancel worship services through the end of March. The Rev. Gordon Rankin, Conference Minister of the NH UCC, has also advised all NH UCC churches to close for worship during this time.

We encourage you to check our website and look for emails as we send messages and other details to keep us connected. Please keep the church office or your deacon of the month updated as to your situations and prayer concerns. The church office will not be open for regular office hours but our administrative assistant will be able to check mail and email during this time. Just because we cannot meet in person does not mean we cannot provide continued support, prayer and service to our church family.
